

Chico

L7111

Flowing lines define the shape
of this chair

The design of the Chico armchair is inspired by the flowing lines of a hillside, resembling a piece of art sculpted by nature. Its smooth curves provide ultimate comfort, and the rich colors are like the ever-changing mountain scenery of the four seasons. No matter where it is placed, it adds a touch of natural elegance and style to the space.

This lounge chair series features a simple yet stylish design, crafted with high-quality materials and exquisite workmanship to provide ultimate seating comfort. Its sleek and elegant design is not only suitable for offices, lounges, and cafes, but also creates a serene and cozy atmosphere, making each use a delightful experience.

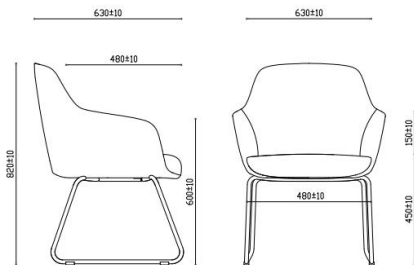

A soft organic shape with delicate curves delivers exceptional comfort.

A variety of heights, base options and finishes suit your space and match your style.
